Recruitment of Graduate Engineers on Contract Basis

Central Electronics Limited is a Govt. of India Enterprise under Department of Scientific & Industrial Research (DSIR), Ministry of Science & Technology. It was established in 1974 with an objective to commercially exploit the indigenous technologies developed by National Laboratories and R&D Institutions in the country. CEL has developed a number of products for the first time in the country through its own R&D efforts and in close association with the premier National & International Laboratories including Defence Laboratories.

Currently, CEL operates in four prime business verticals, viz. Solar Photovoltaic (SPV), Railway Signalling System, Strategic Electronics, Security and Surveillance Group (SSG). Based on short term and long term goals of CEL the aim is to increase market presence across multiple regions in India. CEL has acquired major projects in the solar and defence business. CEL aspires to have a quantum leap in the turnover and profit of the company in the coming years.

To attain sustained expansion of CEL across the nation, the Company is looking forward to recruit high caliber and talented professionals on contractual basis for one year. On the basis of exemplary performance during the contractual period, the incumbents may also be considered for absorption in regular cadre of the Company. In case the candidate is not found eligible in screening for absorption in regular cadre, the contract may be extended to another one year only. They will however have 'No claim' for regularization/absorption. Online applications are invited in the following disciplines:

Name of the Post	Qualifications	Disciplines	Paper Code
Graduate Engineer	B.E./B.Tech.	Electronics & Communication Engineering	EC
Graduate Engineer	B.E./B.Tech.	Mechanical Engineering	ME
